

The Middle East premier trade show for the metal working, metal manufacturing and steel fabrication Industry

**STEEL
FAB**

**MACHINERY
TECHNOLOGY
EQUIPMENT**

18TH EDITION

**9 - 12
JANUARY 2023**
Expo Centre Sharjah
United Arab Emirates

Steel-ing the Show

That SteelFab is the foremost trade event for the metal working industry in the UAE and the Middle East is a known fact. Now, with the UAE government adopting policies to speed up digital transformation of the industrial sector in the country, SteelFab has emerged as a game changer for the regional metal working industry. What makes it indispensable is its role in helping regional players develop digital capabilities that would help them gain an edge in a hypercompetitive market.

Digital Revolution

In manufacturing, the range of opportunities for digital transformation is tremendous, and utilizes AI tools, data lakes, new connectivity standards, advanced analytics, and robotics besides people, processes, and things. Manufacturers leverage information and data from a wide range of processes to improve operational efficiencies and reduce costs. SteelFab, through its display of cutting-edge technologies, arms regional players with digital forces, thus helping them rejig business models with new value propositions.

Innovate to Dominate

With the latest technological advancements, such as IoT and automation, the metal fabrication industry is undergoing rapid changes. From product research and development, quality assurance, and everything in between, technological advancements are changing the manufacturing process. Smart sensors, immersive technology gadgets, sustainable materials and green energy sources are being embraced widely.

All-in-One Event

There is no event like SteelFab in the region that has such a broad focus area. Right from providing the A-to-Z requirements of the metal working industry, to catering to the entire industrial segments, and presenting the most comprehensive showcase of latest innovations and technology, SteelFab is always at the top of the game.

Key Industries

- » Steel Forming and Sheet Metal Machinery
- » Metal Cutting Machinery, Tooling
- » CNC Cutting Systems
- » Surface Preparation, Blasting, Finishing
- » Welding & Cutting
- » Robots, Positioners, Beam Welding
- » Pipe & Tube
- » Grinding, Power Tools, Hand Tools
- » Fasteners and Fastening Systems

Visitors Profile

- Steel Fabrication
- Welding & Cutting
- Steel & Steel Products
- Tools & Accessories
- Packaging & Containers
- Maritime & Offshore
- Aluminium & Glass
- Aerospace / Automobile
- Machining / Job Shop
- Coating / Paintings
- Electrical Industry
- MEP (Mechanical, Electrical & Plumbing)
- Oil & Gas
- Construction
- Ship Building
- Machinery
- Mining & Metals
- Steel Building
- Blasting
- Chemicals
- HVAC

What Makes It The Best

- » LIVE DISPLAY OF MACHINERY & EQUIPMENT
- » LARGEST EXHIBITION OF ITS KIND IN MENA REGION
- » LEADING BRANDS OF SHEET METAL MACHINERY
- » MAJOR MANUFACTURERS OF STRUCTURAL STEEL FABRICATION MACHINES
- » THE FASTENERS WORLD MIDDLE EAST (CONCURRENT EVENT)

Exhibitors Profile

- Steel, Special Steels, Wear Plates, Semi-Finished Steel Products, Steel Components
- Steel Forming & Sheet Metal Machinery, Tooling, Accessories
- Metal Cutting Machinery, Tooling, Accessories
- Welding & Cutting Power Sources, Consumables, Accessories, Positioners, Beam Welding
- Cutting Systems - CNC, Plasma, Oxyfuel, Laser, Waterjet, Routers, Marking
- Grinding, Cutting, Power Tools, Hand Tools
- Pipe & Tube Related, Forming, Bending, Cutting, Orbital Welding
- Material Handling - Overhead Cranes, Hoists, Trolleys
- Industrial Automation, Robots
- Fasteners, Fastening Systems & Accessories
- Surface Preparation, Blasting, Finishing, Painting
- Machinery - Used/Reconditioned
- Publications, Free Trade Zones, Associations, Trade Promotion Bodies
- Software, Services, Training, Inspection, NDT, Measurement

SteelFab 2022

In Figures

Exhibitors
175+

From
26 Countries

Brands on display
400+

From
33 Countries

Gross
Occupied Space

12,000+ Sqm.

**Trade
Visitors**

5000 +

Benefits for Pre-registered Visitors

- » Access to the B2B matchmaking tool (Plan your visit agenda)
- » FAST-TRACK entry to the exhibition
- » FREE copy of the Exhibitors Catalog
- » Privileged Access to the Trade Buyers' Lounge (networking / refreshments)
- » FREE Entry to 2 days of SteelFab Industry Conference
- » Travel, Visa and Accommodation assistance

MAJOR PARTICIPATION FROM

Germany
